# Sreeraj H

## UI/UX Designer & Front-End Developer

Bengaluru, India sreerajh52@gmail.com sreeraj-portfolio.vercel.app linkedin.com/in/sreerajh github.com/SreerajH

Designer who builds what he designs. I take websites and apps from Figma to live Next.js sites, copy included. 40+ projects delivered, 10+ live sites, Google UX certified.

## EXPERIENCE

**Freelance UI/UX Designer & Developer** · Remote — Jul 2025 – Present

- Designed and shipped 40+ websites and apps for clinics, gyms, studios and SaaS founders.
- Built in Next.js, Tailwind and Framer Motion; deployed on Vercel.
- Wrote site copy and design briefs for businesses in 12+ cities; pitched 60+ owners with live demos.

**Graphic Designer** · Colour Vibrations — Apr 2026 – Sep 2026

- Created launch assets for an acoustic curtain product: video ad scripts, posters and website content.

**Design Intern** · Avado Pvt Ltd — Dec 2025 – May 2026

- Designed 40+ Figma screens and product flows for an acoustic sound system website.
- Produced 50+ product posters.
